kind found. The steamer Cubs (late the liornet) is reported to have been seen out Barnegat on Thursday last, about 5 p.in. The pilot who brings the intelligence, says he spoke her, and describes her as being under sail, with banked fires—evidently economising her supplies of coal—and steering S. S. E. Her present commander, Mr. Corbin, and he was still engaged, but sent us word to return at \$p.m., and, punctual to time, we called at that hour and were received. The interview which followed was reported in vesterday's \$u_n\$, but incompletely, for our interviewer suspicioned from two concessions or remarks made by Mr. Corwin that he and the President of the United Stateswere implicated in the dealings of the rold clique, which n the dealings of the gold clique, which reared last week's disastrous panic in Vall street, notwithstanding the follow-

g question and reply: "Reporter—It is currently reported, and Five hundred recruits for the Cuban think really finds credulous believers, but Jas. Fish, jr., has been frequently een to come here within the last few ays. His reach, it is said, has stood in day and night. Further, it is said that he has connected himself with the Administration through you, and had Government semi-official authorization for the move he has led for running gold up to high rates.

"Mr. Corbin—Mr. Fisk may have been to my house twice since I lived here, out not sings this panic began. The last time that men like James Fisk, ir., Ja

me he has led for running gold up to high rates.

"Mr. Corbin—Mr. Fisk may have (seen to my house twice since I lived here, but not sings this panic bogan. The last time he was nere was last summer, when he called at my door to assertain from me that men like James Fisk, jr., Ja Gold, Belden, Martin, Heath, and others of great alrew here, on his way to the watering here, on his way to the watering place. He wanted Mr. Grant and family to go on his boot. I do not associate with such men us his. He is a fast man of the city, while I am a staid, careful Ms in the real of any a staid, careful Ms in the fisk. He is a fast man of the city, while I am a staid, careful Ms in the real of the many as hist. He has a fast man of the city, while I am a staid, careful Ms in the real of the many as the fisk. That there might be no possible connecting Mr. A Bel Corbin with parties relatives of General Grant, we remarked:

"Reporter—It may be that some other relation of Gen. Grant has been adding the gold genutiera, and to this and Mr. Corbin replied: There are no days assurances from the Administration that their plants about the lique of wallstree and President Grant. The clique was so cared from all danger of ruin and loss by assurances from the Administration that their plants about the lique of wallstree and President Grant. The clique was so cared from all danger of ruin and loss by assurances from the Administration that their plants about the lique of wallstree and President Grant. The clique was so cared from all danger of ruin and loss by assurances from the Administration that the course of the part of the lique of wallstree and President Grant. The clique was so cared from all danger of ruin and loss by assurances from the Administration that the course of the part of the lique of wallstree and President Grant. The clique was so cared from all danger of ruin and loss by assurances from the Administration that the course of the part of the lique of walls and part of the lique of walls and part of the lique of walls a

cared from all danger of rain and loss by assurances from the Administration that their plays should not be interfreed with. This was arranged by Mr. Corbin, who made sundry visits to different places to consult with the President's relatives, except my wife, has sister, and myself, have been here during the last ten days. Mr. Grant would not held an interview with any such made as Fish, jr. None of our day, when they held one height an interview with any such made as Fish, jr. None of our day, when they held one head of the days. Mr. Grant would not held an interview with any such made as Fish, jr. None of our day, when they held one hundred and ten.

"Early yesterday morning, and quite as a can as the editor of the Sun ass at the diese, the following was handed him from the King of Reffways;
"Enti Bathway Co., Comptentier's
Office, New York, Oct. 1, 1869.

who was aone other than the same interviewer who saw Mr. Corbin, and is comrate in repossing conversations almost to
infinitibility, was justly dumbfounded.
Still that noise of denial to Mr. Fisk's
friend only correlated his suspicions of
the previous day, that Abel R. Corbin was
compassed with the gold clique of Wall
street. This question occurred to him
What can have made Mr. Fisk serious
over this affair? Mr. Corbin only said he
was a fast man, while there are thousands
of names worse than fast dally applied to f names worse than fast daily applied to be Admired. "Mr. Fisk—You see what Mr. Corbin ave aftent your reported interview?
